COURSE SYLLABUS

Course Code	:	ADV01
Course Title	:	Professional Elective (Enterprise System)
Course Credit	:	3 Units (Lecture)
Contact Hours	:	3 Hours per week (18 weeks)
Pre-requisite/s	:	None

Course Description:

This course will introduce Students to enterprise systems and show how they can be used by organizations to run their operations more efficiently and effectively. Students will learn about the critical success factors and implementation strategies that lead to enterprise system success, and about the informational, knowledge, and decision-making opportunities afforded by these systems. The course will examine typical ERP Systems modules including materials management (MM), supply chain management (SCM), customer relationship management (CRM), financials, projects and human resource management (HRM). Enterprise systems use a single database to integrate business transactions along and between processes, leading to benefits such as efficient and error-free

POLICY ON ABSENCES :

Twenty percent (20%) of a student's combined recitation, lecture and related class work hours lost per course due to unexcused absences shall be considered as *Failure due to Absences (FA)*.

All-time for late registration is considered time lost by absence.

1. For a 3-unit course held thrice a week for 1 hour each meeting- maximum of 11 absences.
2. For a 3-unit held twice a week for 1 1/2 hours each meeting-maximum of 7 absences.
3. For a 3-unit course held once a week for 3 hours each meeting-maximum of 4 absences.

Faculty members may give special consideration to absences due to the following reasons:

1. Participation in official activities as approved by the Academic Affairs Office (seminars, meetings, contest, SK activities)
2. Sickness (serious/extended)
3. Death of family members limited to parents, siblings, and grandparents
4. Other meritorious reasons
